

Fort Wayne Campus

6413 North Clinton Street
Fort Wayne, IN 46825
Phone: (260) 471-7667
Fax: (260) 471-6918

The Fort Wayne campus is a single story, approximately 20,000 square foot facility. This building houses approximately 200 students between day and night classes. The campus consists of: six lecture rooms, three computer labs, three medical labs, a surgical technology lab, and a nursing lab, which is equipped with six beds, three maniquins, one of which is a SIM, safety equipment and supplies. The classrooms, equipment, furniture and surroundings are updated as needed and currently provide adequate instructional space for the present student body.
